The aim of the MAAC Junior Program is to:

The age for participation in the Junior Program shall be determined by the General Committee and shall be calculated as at 30 September each year.

MAAC Juniors is a voluntary organisation, with the growing number of participants in our program we cannot operate effectively without the assistance of parents each week. There will be a roster and you will be notified each week. Please sign in with the coordinator on arrival and Hi Vis vest will be supplied.
